

EXPLORATION DAYS

GRADES 4TH - 6TH

ROBOTICS FUN CAMP

NOVEMBER 20TH - 22ND 2023
8:00 A.M.- 5:45 P.M.

Empowering Young Innovators

Students 4th - 6th Grade

Students you will start your day at your Exploration Site. You will then be transported to La Sierra University, where you will engage in an awesome adventure at our Fall 2023 Robotics Fun Camp, spanning over 2 $\frac{1}{2}$ action-packed days!

Immerse yourself in the fascinating world of robotics, computer programming, artificial intelligence (AI), logical reasoning, and electronics - all while having an absolute blast!

This is an exciting opportunity to embark on an unforgettable journey of designing and constructing your very own customized robot.

How cool is that?
